RE: Community Preservation Committee Eligibility Application  
Restoration of Barn and Carriage House

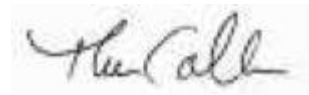

Dear Heidi:

Thank you for submitting your eligibility application for CPA funding for the above captioned project.

The committee voted that the project was ineligible for CPA consideration. Regrettably, a fire suppression system and plumbing are not considered structural restoration under the CPA statute. While the overall restoration of the Museum is admirable, this particular project was not deemed acceptable within the statute as it was written.

Nonetheless, we wish you the best of luck with this important project.

Sincerely,
