RE: Community Preservation Committee Eligibility Application;
Recreational Master Plan & Athletic Field Evaluation

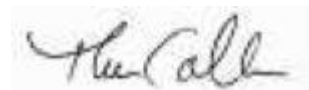

Dear Rob and Kevin:

Thank you for submitting your eligibility application for CPA funding for the above captioned project. The Committee appreciates your foresight in proposing to complete a plan to better target future project funding requests. The committee has deemed your project eligible for funding under the Community Preservation Act (CPA) and invites you to submit a full funding application, due by noon Friday September 27th.

Several other eligibility applications we received seemed to fall into the category of needing consideration in a broader planning context. While we have invited projects like Pagoda Circle and Splash Pad to submit full applications, we encourage you to consider these potential projects as part of your master planning project. You might also want to think of the role recreational facilities at the schools fit into the larger recreational potential in town.

As was pointed out at the time of your presentation, the committee received over \$4.5 million in funding requests while we have a budget of just over \$1 million. Difficult decisions will have to be made. It will be important for you to take a hard look at your budget and think if there might be additional outside funding for your project.

Sincerely,

A handwritten signature in dark ink, appearing to read "Tom Callahan", is shown within a light gray rectangular box.

Tom Callahan

CPC Chair
