RE: Community Preservation Committee Eligibility Application
Pine tree Brook Ecological Restoration Study

Dear Deborah:

Thank you for submitting your eligibility application for CPA funding for the above captioned project. The Committee appreciates your targeting of one rich area of Milton while being aware and coordinating with the Conservation Commission on town-wide goals. The committee has deemed your project eligible for funding under the Community Preservation Act (CPA) and invites you to submit a full funding application, due by noon Friday, September 27, 2024.

As was pointed out at the time of your presentation, the committee received over \$4.5 million in funding requests while we have a budget of just over \$1 million. Difficult decisions will have to be made. It will be important for you to take a hard look at your budget and think if there might be additional outside funding for your project.

Sincerely,
