RE: Community Preservation Committee Eligibility Application;  
Eustis Estate Masonry Repairs

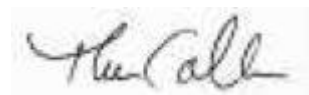

Dear Ms. Pomplun:

Thank you for submitting your eligibility application for CPA funding for the above captioned project. The Committee appreciates the dedication of HNE for preserving this important local treasure and the benefits your organization provides to the community. The committee has deemed your project eligible for funding under the Community Preservation Act (CPA) and invites you to submit a full funding application, due by noon Friday September 27.

We appreciate that you held off on your request last year in order to more fully assess the condition and remedial work required on this unique masonry construction.

As was pointed out at the time of your presentation, the committee received over \$4.5 million in funding requests while we have a budget of just over \$1 million. Difficult decisions will have to be made. It will be important for you to take a hard look at your budget and try to find additional outside funding sources for your project. We hope that when you submit your final Funding Application, you will be able to reduce your request.

Sincerely,
