[External Email- Use Caution]

Dear Town Manager Milano,

We are in receipt of your grant application to participate in the Community Compact Municipal Fiber grant program. Grant awards under this program are contingent upon the municipality being able to certify that it will comply with all applicable laws, including the Massachusetts General Laws. We understand that the Executive Office of Housing and Livable Communities has determined the town of Milton out of compliance with G.L. c. 40A, § 3A, the MBTA Communities Act. To be eligible to participate in the Community Compact Municipal Fiber grant program, the town of Milton would need to remediate this noncompliance.

If circumstances have changed such that Milton expects to be in compliance with state law by June 21, 2024, please notify the Division of Local Services. Without the required certification, the town of Milton will not receive FY24 Municipal Fiber grant funds, but may be eligible to apply for funds from this program in the future.

Sincerely,

Jennifer McAllister  
Division of Local Services  
Massachusetts Department of Revenue
