Mary F. Stenson, RN, BSN, Member

The Milton Coalition is seeking a dedicated volunteer to serve as our Sector Representative for “Other Organizations Involved in Reducing Substance Use.” This individual will support the Coalition’s mission and goals by serving as an ambassador within the community, attending every other month meetings on Tuesdays 6:30-8:00pm, and participating in community events such as Coalition-sponsored training and prevention activities. The Sector Representative will play a key role in sustaining the Coalition’s capacity and community involvement by sharing insights from their organization, connecting with local partners, and helping advance our efforts to reduce substance use in Milton. If you are passionate about promoting a healthier community and would like to join us in this important work, we would love to have you involved!

Please email Program Director Berlin Awach with any questions: bawach@miltonma.gov
