## **Mission Statement**

Milton Parks and Recreation Department is dedicated to providing recreation programs and services for Milton residents of all ages and to maintain and provide clean and safe park facilities.

## **Accessibility & Inclusion**

Parks and Recreation welcomes students with disabilities who will be provided an equal opportunity to participate in the programs. All children participating in programs either with the provision of additional supports or independently need to be able and willing to: Participate in group activities.

Successfully transition from one activity to another. Understand and follow program expectations and conduct themselves safely and appropriately in a group setting, in accordance with the program's Behavior Policy. Reasonable accommodations for students with a disability may include reasonable modifications to the program's expectations, provided that the proposed accommodation does not fundamentally alter the nature of the program. If the proposed accommodation would fundamentally alter the program, Parks and Recreation reserves the right to deny participation in this voluntary program. All requests for accommodation will be evaluated on a case-by-case basis.
